

SCHOOL IMPROVEMENT PRIORITIES

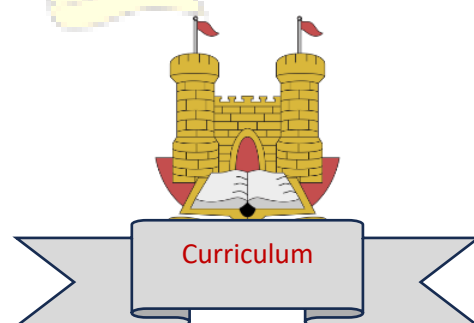

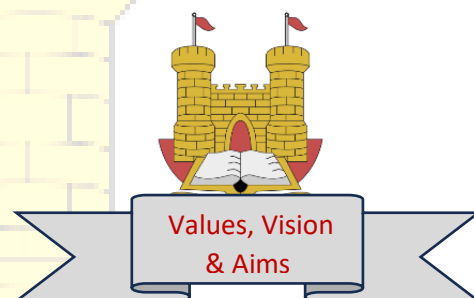

2023-2024

Other main goals for improvement within the school and in line with views of our children, staff, families and partners.

School Improvement Priority 1

Develop a whole school ethos and culture to improve relationships, to celebrate diversity and promote positive behaviours. This will lead to a more inclusive community and better outcomes for all.

- Developing Relationships
- Responding to children's needs
- Nurturing principles throughout
- Developing shared expectations
- Repairing and restoring
- Staff support, wellbeing and professional development

School Improvement Priority 2

Develop a consistency of highly effective pedagogical approaches to ensure pace and progression, where children will become leaders of their own learning.

- Create a learning charter with non-negotiables whilst allowing for teacher autonomy
- Supportive planning to further enhance the curriculum
- Personalised supports
- Robust self-evaluation for self-improvement
- Collective professional learning
