

Dear Parent/Carer

### **Forthill Primary School Twitter Account - @ForthillPrimary**

Many schools across Dundee are now successfully using Twitter as a quick way to share information about the activities within their schools. Twitter allows us to quickly share things that we might not have been able to share previously. We aim to share pictures of groups of children learning and working and general information about events going on throughout the school.

Our Twitter account is a **protected account**. Individual tweets require approval by a member of staff. Our page has the strongest security settings to ensure that tweets and comments are not open to the public. Requests to become members of this protected site will only be accepted for Forthill parents, teachers and other educational groups of individuals.

If you would like to become a member of our Twitter community or have already requested and not yet been accepted, please ensure you have completed **all** of the following:

- First of all set up an account for yourself at <https://twitter.com/signup>
- Complete and return the attached slip to school
- Request to follow @ForthillPrimary
- Ensure you have completed an AUP and media form for your child/children – these may be collected from the school office

A number of individuals have requested to follow, some multiple times. We cannot authorise or act on these requests unless all the above steps have been actioned.

Only once you have completed all of these, will we be able to accept you.

Kinds regards

A Macgregor  
Head Teacher

Forthill Primary School
